

- Professional application engineers
- Sensing, inspection & vision labs
- Extensive customer tailored inventory
- Custom subassemblies
- Value added engineering
- Customized Bosch framing systems

Motion Control and Automation

- SmartMotor™ Integrated Servo Motor Systems
- Controllers: RTC3000 & RTC4000
- Integrated SmartMotor and actuator packages

- Operator Interface Flat Panel Touchscreens
 - Industrial PC
 - Panels

- Aluminum Framing
 - Workstations
 - Aluminum Profiles & Accessories

- RFID Radio Frequency Identification Systems
- Antennas
- Tags
- 2D and 1D code readers

- Infrared Temperature Sensors
- Hand-Held Scanners
- Infrared thermal switches

- Thermal Imaging Security Cameras
 - Pan/Tilt/Zoom Cameras
 - Fixed Cameras
 - Handheld Cameras

- Instrument Mounting Systems
 - Wall or Ceiling Mount
 - Roll Stand
 - Counter Tops or Polls

- SCARA Robots
- X,Y,Z Servo Positioners
- Table Top Systems
- Robo Cylinders

- Smart Cameras
- Intuitive software
- 1D and 2D code reading and OCR

- Industrial Ethernet Connectivity
- Industrial Ethernet Switches
- Industrial Serial to Ethernet (wired and wireless)

- LED Illumination systems for machine vision
- Unique geometry lighting for difficult applications
- Sensors and Vision Systems
- Industrial Automation Controls
- Automation Components
- AC Motors & Gearmotors
- Speed Control Systems
- Stepping Motors
- Linear & Rotary Actuators
- Visual Warning Devices
 - Signal Towers, Illumination & Beacons
- Audible Warning Devices
- Machine & Process Safeguarding
- Safety Light Curtains
- Perimeter Access Guarding
- Programmable Safety Controllers
- Servo Motors & Amplifiers
- Motion Controllers
- Linear Motors
- Embedded and Industrial Computers
- Human Machine Interfaces
- Industrial Communication and I/O
- Stepper Motor and Control Products
- Servo Motor and Control Products
- Full range of Planetary Gearheads
- Linear Actuation products
- Rotary Actuation Product
- Electronic Actuators
- Multi axis motion controllers
- Stepper and Servo drives
- Mini PLCs and I/O product
- Integrated stepper motors with controls
- Integrated motor drive products
- Linear actuators, and gearheads
- CNC Servo Systems
- Distributed Control and Servo Amplifiers
- Servo motors and accessories
- DC Brushless motors
- DC Brushless Servo motors
- Motor Drives
- Track, Trace, Control Solutions
- Barcode Readers
- Machine Vision Systems

- Linear Slide Guides
- Slide Bushing
- Linear Actuators

- Precision Ball Screws
- Linear Guides
- Linear actuators and Direct drive motors

- Pneumatic Valves, regulator Accessories
- Actuators and Pneumatic Motors
- Bus based communication modules

- Stepper and Servo motors and controls
- Position tables, gearheads, actuators and slides
- HMI, and Industrial Computers
- Precision Motion Control systems
